

# Welcome to the Donlon Elementary School Science Fair

We're glad you did a project!

Please follow these guidelines to turn in your project -

- **Project board** should have the **student's name(s)**, **teacher's name** and **project title** clearly written on the **name card** (see below) and affixed on the front at the top left corner.
  - Top part of the **interview form** should be filled out neatly
- If it is a **group project**, please make sure all students fill out a form individually and list the other members of the group in the space provided
  - Turn in your interview form at the **registration table**
- **Set up your project at the Grade level table** (indicated with signs) - please do not leave valuable equipment at the table; these can be brought at the time of the interview on Wednesday, if desired, and/or during the science fair on Thursday.
