SCHOOL SUPPLY PACKS

- Save Time & Money with Quality Products.
- Teacher Approved and Custom Packed for Each Student.
- Avoid Shopping Hassles. No Crowds. No Traffic. No Guesswork.
- Our Donlon teachers are most grateful for your support!

The school supply kit program is a service provided by the Donlon PFC. Having continuity with class room supplies makes it easier for your child along with their teacher. It is also very easy for you to order! You simply fill out the Student Supply Kit form, attach your check and return it to your teacher or the administrative office. That's it! You're ready for the fall! No driving or last minute hassle! The kits are pre-ordered and placed in your child's classroom prior to the first day of school. Getting your order before the end of this school year ensures a kit for your child. **This also serves as a fundraiser as a small portion of your donation goes directly back into the classroom supply needs!** The PFC would like to provide enough supplies for your child's entire classroom; your participation helps to achieve this goal. We appreciate your voluntary donation which supports our teachers by providing critical classroom supplies. This will ensure fair and equitable treatment of all our Donlon Cubs!

Thank YOU for making our Donlon Community the VERY BEST!
